

INOVA LOUDOUN HOSPITAL PARTNERS WITH DILIGENT FOR SAFE PATIENT HANDLING

Roselle, IL – Inova Loudoun Hospital of Leesburg, VA has partnered with Diligent and ARJO to provide a safe patient handling program to protect its staff and patients from injuries related to the lifting and transferring of patients.

The Diligent™ program includes:

- Patient handling and transfer equipment for clinical units to transition to a minimal lift environment of care
- A 75% incident reduction guarantee
- Clinical Consultant support for three years

Diligent™ is a collection of industry leading, ergonomic-oriented technologies and best practices that are proven to improve employee health and the quality of patient care.
