**Getinge / ARJO / Maquet New West Coast Showroom
simulates OR, ICU and SPD environment.**

ROSELLE, IL. – ARJO, Inc. USA announces the opening of the Getinge / ARJO / Maquet West Coast showroom in Costa Mesa (Orange County) California. The 6,000 square-foot facility gives prospective customers the ability to evaluate ARJO Extended Care Products – including Huntleigh Healthcare products, GETINGE Infection Control and MAQUET Surgical Workplace in realistic OR, ICU and SPD (CS) settings.

MAQUET Surgical Workplace products, for the surgical and ICU settings, include the PowerLED Surgical Light, ALPHAMAQUET Fixed Base Surgical Tables and MODUTEC Ceiling Service Units.

The sterile processing department includes GETINGE Infection Control products – 46-Series and 86-Series Washer-Disinfectors, 9100 Cart Washer, a full range of Steam Sterilizers, T-DOC Asset Management and Instrument Tracking System, and Consumable products.

ARJO offers a variety of innovative, versatile and easy-to-use products to meet the unique demands of healthcare professionals, including comprehensive lines of bathing, showering, lift/transport, bariatric products, disinfection systems, and compatible skin care liquids and lotions. The world's leader serving the healthcare market, ARJO is dedicated to providing its customers with the most efficient, highest quality products and services. ARJO products include the *Parker* Bathing System, *Carendo* Ergonomic Hygiene Chair, *Miranti* Lift Bath Trolley, *Ninjo* Flusher Disinfectant, *SARA* Standing and Raising Aids, *Tenor* Mobile Bariatric Lift and *Maxi Sky* Ceiling Lifts, among many others.

For more information, or to schedule a visit, please contact Amy McCaw at 800 323 1245 x6112 or email amy.mccaw@arjousa.com.

The showroom is located at 3184-C Airway Ave. in Costa Mesa.
